

SINNISSIPPI MENTAL HEALTH CENTER

325 Illinois Rt. 2
Dixon, IL 61071
(815) 284-6611
1-800-242-7642

Purpose: to provide community-based mental health services structured around delivering services through four areas: assessment and crisis, clinical services, family systems, and addictions.

Services: Include: assessment and crisis offering evaluation ordered by any one of a variety of professional persons or social agencies; clinical services aimed at the mentally ill and developmentally disabled population; family problems, primarily affecting the children including outpatient treatment, children of divorced parents, sexual abuse victims and offenders group treatment; and finally services that attack alcohol and drug abuse problems.

Directors: Assessment & Crisis-Tom Hermes
Clinical Services-Jean McNulty
Family Systems-Clyde Lipp
Center for Addictions-Robert Gavaldon

Geographical

Area: Carroll, Lee, Ogle, and Whiteside Counties

Funded by: Illinois Department of Mental Health and Development Disabilities (DMHDD) and the Department for Alcoholism and Substance Abuse (DASA), as well as county health boards at the local level.

Fees/Costs: Fees are based on income guidelines.
